

PERSONAL CARE COSMETICS

BHW-005-000**DESCRIPTION:**

Unscented Liquid soap Balia 5 L is an efficient and economical liquid hand soap designed for everyday use in companies, public institutions, and industrial facilities. The product effectively cleanses hands and exhibits antibacterial properties. Its formula contains glycerin, panthenol, and allantoin—ingredients known for their caring benefits, which help reduce dryness and support skin comfort during frequent handwashing. The neutral, unscented liquid soap is ideal for environments that require high hygiene standards and the absence of added fragrances. The large 5-liter capacity makes it a perfect solution for refilling dispensers in restrooms and sanitary areas.
