DESCRIPTION:

Balia Lily of the Valley Liquid soap 5 L is an efficient and economical liquid hand soap designed for everyday use in companies, public institutions, and industrial facilities. The product effectively cleanses the hands and has antibacterial properties. It's formula contains glycerin, panthenol, and allantoin - ingredients known for their caring properties that help reduce the feeling of dryness and support skin comfort during frequent hand washing. The delicate lily of the valley fragrance provides a sense of freshness and cleanliness after every use. The large 5-liter capacity makes it a practical solution for refilling dispensers in restrooms and sanitary areas.
